

GREENSBORO PLANNING COMMISSION (GPC)

Meeting August 20th 2012

Members Present: Phil Gray, Mark Snyder, Willie Smith, and Diana Griffiths.
Member Absent: Linda Romans. Also present: Admin. Officer Kristen Leahy

Called to Order: 7.00pm

Minutes Approval: Minutes of 6th August 2012 public meeting approved unanimously.

The meeting was largely devoted to a review of comments received from Larry Hewes of the Greensboro Association on the updated Plan.

Kristen had already changed typing and grammatical errors and will redo all the changes agreed upon during the meeting. The Plan will then be submitted to Alison Low, NVDA, for approval, following which it will be sent to the Select Board for its agreement.

Responding to a concern expressed by the Greensboro Association regarding aesthetics of the new Fire Station to be built, the GPC agreed that Kristen should forward details of the next meeting of the New Fire Department committee to the Association.

Meeting closed at 8.50pm

The GPC decided that no additional meetings would be necessary until October. Therefore, the next meeting was set for Monday 8th October 2012.

Respectfully Submitted
Diana Griffiths, Secretary
