

GREENSBORO PLANNING COMMISSION
Minutes of Meeting October 21st 2013

Present: Phil Gray, Mark Snyder, Diana Griffiths, Willie Smith, Linda Romans. Kristen Leahy Administrative Officer. Called to Order at 7.00pm

Minutes of October 14th Meeting approved.

There was discussion on whether new boathouses should be permitted in the revised By-law.. GPC members decided that new boat houses could be built under stricter guidelines, e.g. to be used for boat storage only, no decks, porches, or extraneous appendages, and one boathouse permitted per tax lot. A motion to the above effect was moved, seconded, and passed unanimously. Kristen will rewrite the boathouse provision..

With regard to Section 5.12 – payment for technical consultants- Kristen reported that she had incorporated the language that Patrick Hewes had provided into the By-law. The GPC approved the new language, and thanked Patrick for his help in this matter.

This concludes the GPC's efforts to revise the Town of Greensboro's By-law. Kristen said she would have hard copies available for the Commission at the Library by 11am Saturday October 26 for members to read before our next meeting.

The GPC gave a huge vote of thanks to Kristen for the amount of work and help she has given over the past few months.

Meeting concluded at 8pm.

Next meeting Monday 28th October 2013

Respectfully submitted by Diana Griffiths, Secretary.
