PIGS IN GREENSBORO BEND

Michelle LaFlam, Executive Director of the Four Seasons of Early Learning sent an email regarding a pig that has run loose on Main Street in Greensboro Bend. It also has been wandering across the road outside the fence of the day care, along with digging into the compost. It has damaged her personal property as well as others and she would like to have something done. Greensboro has an Animal Control Ordinance which defines nuisance animals, along with a fine structure. Also, there is a State statute that defines animals running at large. Kim Greaves prepared a Control Notice for the Board's review. After discussion the following motion was made:

The letter from Michelle LaFlam, along with Greensboro's Animal Control Ordinance and the Control Notice will be sent to William Davies, of May and Davies, Greensboro's Town Attorney for review and editing. Once the Control Notice has been edited by Mr. Davies and it comes back into the office, the members of the Selectboard will come in and sign the document. Then this Control Notice will be forwarded on to the Hardwick Police Department.

Said motion was made by Michael Lapierre and seconded by Peter Romans, approved unanimously.

A motion to enter into executive session was requested at 6:45 pm. The board exited executive session at 7:53 pm, with no action taken.

A motion was made by Peter Romans, and seconded by Michael Lapierre to adjourn at 7:53 pm, approved unanimously.
