

GREENSBORO PLANNING COMMISSION

Minutes of Meeting September 30th

Present: Phil Gray, Mark Snyder, Diana Griffiths, Linda Romans and Willie Smith. Kristen Leahy Administrative Officer. Patrick Hewes member of the public.

Called to Order at 7.00pm

Minutes of September 23rd Meeting approved.

Kristen reported on the number of responses she has received to the proposed new bi-laws. Section 8.9C received the most criticism. Driveways were also an issue as was the tree matrix and boathouse proposed changes. Kristen will write a covering letter to all letting them know we are considering their valued comments and are working on changes.

Much discussion took place concerning these and the changes that might be best. The discussion is still ongoing.

Patrick presented his draft which although gratefully received was felt still to be too long. Kristen would like to include all that he said, no unanimous decision was made. Patrick feels that explanation is of benefit to the public in understanding some of the new bi-laws and why they are being implemented.

Kristen and Patrick will discuss this further.

The date for a Public Meeting was pushed forward to 2nd of December.

Meeting adjourned at 8.45p.m

Next meeting Monday October 14th 2013

Respectfully submitted by Diana Griffiths,
